Bill Grant - President, BBLP Board of Directors

Activities are starting once again at the Park and both the young and the not so young (a group I am proud to be a member of) are back to enjoying what the Park is really meant to be, a place to relax, have fun, meet new friends and enjoy the things we all work so hard to achieve.

There is a schedule of events on the last page of this newsletter so you can keep it as a reminder of all the activities that are taking place at the Park. If you have not been to some of the events please check them out, stop by to see what is going on, you may meet a new friend.

The pool is open and as the most used facility in the Park it is always a sure sign that summer has begun. Please adhere to the pool rules as they are meant to ensure we have a safe and clean environment to enjoy.

We had a relatively small turnout for the Townhall Meeting, which I trust is not a sign of apathy but one of general agreement that the Park is in good shape and providing everyone with what they want. There was a big round of applause for Don Brown and his staff who manage the administration of the Park along with staff who maintain the Park making sure things look good and are in working order. Of special note, Ruth Brown was commended for the great job she is doing looking after the gardens and flower beds – thanks Ruth.

As I mentioned in my report in the May newsletter, you will notice that road repairs have begun and we expect them to be completed before the end of June so as not to disrupt people when the Park is at its busiest in July and August. This is part of a three-phase plan to maintain the roads. Doing these surface repairs now reduces the need for more major road reconstruction and keeps our costs down.

At the Townhall Meeting the members approved of a plan to engage a design consultant to prepare a set of plans for the refurbishing of the bathrooms at the Elm Centre. There is a consensus that the bathrooms do not meet the needs of how Elm is being used. Once we have the plans we will be able to get quotes on the work required to do the upgrade. This work will be scheduled later in the year so it does not affect activities that are scheduled.

If you own a golf cart please make sure it is registered at the office and you have your site number clearly displayed on the cart. There is a possibility in the future, that golf carts will be allowed on designated roads in Birch Bay. If this becomes a reality please make sure you obtain a copy of all the rules that apply and you have the appropriate insurance. The Park has not taken a position on this initiative so it is up to each individual to follow the rules as set by the County.

We are always looking for people to help with any of the activities at the Park. If you have never volunteered give it a try, it is amazing how much fun it can be. Just helping the activity organizer with a few extra hands makes all the difference.

See you around the Park and if you have any questions, comments or ideas please contact the office or any Board member.

Bill Grant, President BBLP

Susan Stuart - Treasurer, BBLP Board of Directors

So, how did we do in 2017?

A copy of the 2017 financial statements will be provided to the members as part of the AGM package and will include both the 2017 and 2016 comparative figures. At this time last year we had prepared a breakeven budget and at year's end we had a net operating income of ~\$25,000 (~ \$35 per member). Why the \$25,000 variance? We saw overall revenues ~\$10,000 higher than budgeted (primarily interest related) and overall operational costs ~\$15,000 lower than budgeted.

One key document that has not been updated since late 2015 is the summary of excess funds and their use. The update will be completed in the coming months and be reported to the membership at the first opportunity.

Assessment Notices

On May 19th, the Board approved the upcoming assessments which are payable by June 29th. The 2nd 2018 Assessment has been set at \$880.00 to balance the budget. At this level, and presuming there are no unexpected events, we anticipate we will come close to a breakeven position for the year. It should be noted that dues collected represent approximately 94% of the operational funds anticipated to be raised in 2018.

On May 25th and 26th, members were sent emails containing links to various standard assessment notices, one of which was the summary of the revised budget (May 26th email). We have noted on the summary that there is a discrepancy between what was reported as 2016 actuals in November 2017 vs in the current summary. The discrepancy is due to an error in including revenues from the Entertainment Fund in the operational summary.

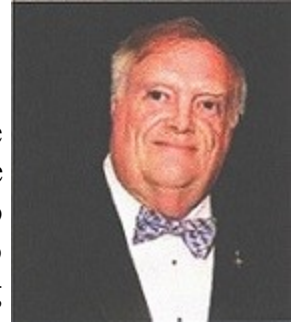

The individualized 2nd Assessment Notices were emailed to members between May 25th and May 28th. If you happen to be one of the members that have not provided an email address to the office, your assessment was mailed on May 28th so you should be in receipt of it no later than June 8th. As usual, the notice included your basic assessment, your November 2017 to April 2018 electrical billing, and any other outstanding amounts for items such as, but not limited to, propane, dirt, gravel, parcels, etc. If you had an amount on account that reduced the amount otherwise payable it was also reflected in what was sent. If in doubt, please, please, please contact the office to confirm what is owed.

Regardless of your chosen payment type, please make sure you include both your site # and your surname when making the payment. This is especially important when using a location other than the Blaine Store, and even more so when the bank is located outside Whatcom County. If you are making payment by cash, please take the additional step of contacting our office to let them know the amount paid and date.

If you have not already received your Assessment Notice by email, please contact the office and confirm we have the correct email address. If your Assessment Notice had to be mailed, you too should contact the office if you have not received it yet and confirm your correct mailing address. Your ultimate goal and responsibility is to determine what amount must be deposited to our UMPQUA bank account before closing on June 29, 2018.

Susan Stuart, 39 – 10
BBLP Treasurer

Syd Hughes - Rules & Regulations, BBLP Board of Directors

As we move into the busy summer season. I wish to thank all the members in the park who have responded to the compliance notifications that were sent out earlier this year. Your park wishes to work with all of you who have requested a review and or extension to come into compliance with the Park rules and to that end we are meeting with members as time permits. So, please contact the office and we can schedule a mutually convenient time to meet if necessary.

Now a few gentle reminders. Whatcom County has approved a “Golf Cart Zone” for the Birch Bay area. More information on this issue is available from many sources. The Rules of Leisure Park govern the use of Golf Carts in the park. The rule reference is Section D, Part 1, Sections a-h.

Our beautiful pool is now open on weekends and will shortly be open full-time for the summer. The Rules and hours are clearly displayed at the pool. Please remember that a shower is required by all persons using the pool.

If you ever have any questions, please feel free to get in touch with the Board of Directors by contacting the office with your questions and they will forward your email to the appropriate member.

Enjoy the summer!

Syd Hughes

Director

Karilee Green - Grounds & Compliance,
BBLP Board of Directors

Thank you to all the members who have cleared up their site compliance issues. Leisure Park is once again becoming a place everyone can be proud of. I realize that to many members this is Labour Park, not Leisure Park, but all your hard work is paying off. We realize that it is an ongoing “Battle of the Weeds.”

-Karilee Green

Rhonda Robinson - Recreation and Entertainment, BBLP Board of Directors

Greetings Members

It's so nice to see so many members out and about in the park.

We had the first pancake breakfast of the season and it went very well. I would like to say a special thank you to Wes and Carol Gmur for guiding us through the first breakfast! I would also like to thank all of the following volunteers that worked pancake breakfast; Anna Lyons, Karilee Green, Janet Hastings, Geoff, Sil Shore, Karen Lighthouse, Karen Penny West, Darryl Kuzik, Roger Cochrane, Nathan Gurvich, Kevin Lunder, James Walker, Glenn Leslie, Frank Hampton, Angela Elliot, Helen Skender, Lisa Campbell, and Jen Tindale, as well as all the volunteers that showed up on Friday evening to help with the set up, each and every one of you did a fantastic job! We are **still seeking a coordinator** for pancake breakfast. It's a great way to meet fellow members and I would be more than willing to help any member that steps up and fills that role.

Linda Cholette and her husband held the first patio sale of the season. Thank you to you both. The next patio sale is already scheduled but I think we may take a look at scheduling it on a different day than pancake breakfast in the future. There is just too much going on at one time.

Arno and Jennifer Velthuijzen and their crew reported a very successful bingo evening with almost \$400.00 in prizes given out. Thank you for making bingo fun for all ages.

Caesar Sunday was also a resounding success thanks to Wes and Carol Gmur and Rick and Daryl Vyse. Although a head count wasn't taken, it may very well have been the most attended Caesar Sunday to date!

Pancake Breakfast and Caesar Sunday are the two largest contributors to the entertainment fund. The fund enables us to hold many functions at minimal cost or free to members and their families. Please be sure to come out and support your park.

Don't forget to check the events calendar in the Newsletter, many more fun events to come.

Entertainment Director

Tom Collins - VP & Communications, BBLP Board of Directors

This report is certainly in the Good News Category!

First of all, The Golf Cart Zone project has been passed and is a GO - I've attached a copy of the report outlining details & guidelines from The Birch Bay Chamber Of Commerce on Page 12 of this Newsletter! According to Bill Brown (Chamber President), it will take effect in approx. 2 weeks (most probably week of June 4th) once they get signs posted, etc.!

Please read the document carefully and be fully aware of what modifications to our golf carts need to be made (ie - seats belts, rear view mirrors, etc.), what driver qualifications need to be met (ie - 16 yrs. old, registered license, etc.) & what rules of the road must be adhered to - which are all outlined in the document!

Also keep in mind that a number of people who opposed the “yes” vote will try to have the entire project rescinded and as such will be monitoring infractions.....SO.... please abide by the rules!

I would also recommend that each of us should review our existing insurance policies - ie: if we need to do anything such as obtaining additional Insurance before venturing out onto a Public Road.

Secondly, also in the good news category is the BBWarm/Whatcom County (flooding project) which is continuing to move forward. Without going into a lot of detail, you will see Whatcom County Engineers and BBWarm personnel in the Park conducting assessment surveys.

On July 21st. our Office will be registering Golf Carts (a mandatory requirement of the Park) and as such will be setting up at Circle 17 from Noon til 2pm. Members that have not registered their golf carts should come with visible Site Numbers on both front & rear of Carts and working headlights & taillights (if used after dark). Please keep in mind that Don, our Park Manager, and our Office Staff are making it as easy as possible for member registration!

Thanks again to all the staff & Maureen Siddall in putting this Newsletter together!

Have fun & play safe!

Warmest Regards,
Tom

Richard Shore - Secretary, BBLP Board of Directors

The “Employee Handbook” which details policies, benefits and working conditions for Park Staff has now been updated due to changes in Washington State legislation.

We are now participating with the “Glen”, a Recreation Park in Maple Falls Washington, to compare wages, benefits and working conditions for Park staff in light of changes in Washington State legislation in the past year.

Have a great summer and enjoy our wonderful Park.

Richard Shore
Secretary; Human Resources and Appeals Committees

Don Brown - General Manager, Birch Bay Leisure Park

A note from the Nomination Committee

At our September 2, 2018 Annual General Meeting, members will be asked to elect three (3) directors to serve on the Board of Directors

Recognizing the importance of recruiting members having the needed skills, knowledge and experience relative to specific Board portfolios (finance, maintenance, human resources etc), we have started the search for potential directors early this season. We encourage members to consider serving on our Board.

Members of the Nominating Committee will attend regularly scheduled events during the season looking for potential director candidates to stand for election in September. Members are encouraged to ask questions and learn what is involved to serve as one of our directors.

BBLP bylaws provide for a nomination process and nomination form. The mandate of the Nominating Committee is to identify at least one candidate for each vacancy. Ideally, we strive to have more than three nominees so that the members may exercise their right to elect directors. Additional information regarding the nominating process will follow in future Newsletters and will be posted on community bulletin boards.

Members of the Nominating Committee may not run for a director position and must be remain nonpartisan.

FROM THE ADMINISTRATION CENTER

Propane Tanks

We fill your small propane tank at the Admin Center. Located between the recycling bins and the dirt is the propane filling station. Tanks left on the "EMPTY" side by 4:00 PM will be ready for pick up by 4:30 PM and placed on the "FULL" side. Please be sure that your tank is clearly marked with your site number and last name for easy identification.

Topsoil & Gravel

We offer 4-way topsoil, crushed limestone or chipped rock for purchase at the Administration Office. You may purchase these commodities by 5 gallon bucket or wheelbarrow full (you fill). We keep a limited supply of these materials on hand, so if you need more than a yard or two we will be happy to put you in touch with a wholesale supplier.

Brush Bins

Each bath house has a fenced area for small loads of yard waste ONLY. All yard waste should be bagged or bundled for easy removal by park staff. Compost bags are available at the office, five for \$2.00.

Garbage

Please place bagged household garbage in the dumpsters located at the bath houses and at the front of the park. To dispose of larger items (carpet, mattresses,

furniture, etc.) stop by the office to purchase a \$20 dump permit.

Recycling

Please recycle. Aluminum cans (preferably crushed) go in the recycling shed. Newspapers, mixed paper, cans and jars go in bins in front of the shed at the front. Please flatten plastic jugs. Cardboard goes in the bin inside the recycling shed at the front. Please flatten. Additional recycling locations are: Bathhouse #3, #4, #5, #6, #7, #8, #9, #10 – Brier Center and Elm Center. Further details about recycling are available at the Administration Office.

Laundry

Bathhouses 3, 4, 8, & 9 have coin operated washers and dryers. (\$2.00 US to wash and \$2.00 US to dry) **Machines take U.S. QUARTERS ONLY.**

Utilities

We respond to your water, power and sewer problems. If it's a park problem we fix it. If not, we can point you towards a solution. Please be aware of the delicate disposition of our sewer system. Sewage is pumped out of the park and our pumps choke on the smallest of things; a dish rag, that messy diaper (even a supposedly disposable diaper), a potted plant with its roots, a knife, etc. When these things reach the pump, it plugs. We then have to hire a contractor to go down into the

sewer tank to make repairs, costing the park time and money.

Compressed Air

Outside the Maintenance Shop door we provide compressed air for your tires.

Construction / Maintenance Permits

All construction requires a permit. Permit applications are available at the Administration Center and only take a moment to fill out. Office staff are also on hand to assist with the process.

Mail & Parcels

Please stop by the Administration Center to pick up your mail and parcels to make room for more.

Volunteers

Birch Bay Leisure Park is always looking for volunteers to help out with our Park events. If you are interested in lending a hand, come by the Office and sign up!

The Administration Office would like to remind everyone to please check on your account balance the next time you are at the office.

Be safe. Have fun. Be kind to each other.
