Bill Grant - President, BBLP Board of Directors

We have had a terrific start to the summer with lots of activities in the Park with more to come. I can't thank the organizers and volunteers enough for all they do to make the Park a great place to come to and enjoy.

My key point for this report is to remind everyone of the AGM meeting on Sunday Sept 2. You will be receiving notification of the meeting in early August. Please make every effort to attend as this is another one of your opportunities to have your voice heard in the management of the Park. There will be elections for three Directors, each for a 2 year term.

The Long Range Planning Committee is drafting a 5 year plan for the replacement or upgrade to aging infrastructure, solutions for the drainage and flooding issues at the Park and the possible relocation of the maintenance building to the recycling area up the hill by the dump.

We are getting close to our 50th birthday and we all know that with time comes the need to replace or upgrade major facilities before the costs to fix them becomes prohibitive. The idea behind the 5 year plan is to review it each year and keep adding a 5th year to the plan so that there is always a vision for the Park to follow. By setting up plans that future Boards can follow we will be completing the work on our schedule and not in the case of emergencies.

As always, if you have ideas please let us know by contacting the office so that we can get them on to our monthly meeting agendas for discussion.

Please read the other Director's reports as they contain information that will help you enjoy your time at the park along with the actions of the other Park committees.

Have a great month of Aug, it is hard to believe the summer is half over and I hope to see you at the AGM in September.

Bill Grant
President, Birch Bay Leisure Park

Susan Stuart - Treasurer, BBLP Board of Directors

Good news and a big thank you! Only 22 members missed the June 30th payment deadline – you may recall that in the July newsletter I noted that history shows there will be some 25 – 30 members that will have missed the deadline. So the new process of sending the semi-annual assessment notices by email does not have any apparent problems. The office staff are thankful to the handful of members that took the initiative and contacted the office in June as they had not received their notices and knew there was a payment deadline of June 30th.

Working with the office staff, we sent out various overdue notifications to members in early July which included notification that their gate cards would be deactivated effective August 1st unless payment is received in full.

Members that have not paid by July 31st will again be notified by letter that further penalties have been assessed and these sorts of notifications will continue until all funds owing are paid in full or the membership is revoked. These are not pleasant tasks, but are necessary to ensure accounts are kept up-to-date and to ensure members are eligible to vote at the AGM. Some members are surprised at the AGM when they are told they are not able to vote since the Association's By-law 1f) states:

Only members in good standing shall be eligible to hold office or entitled to vote at any general or special meeting. Members who have assessments or charges that have remained unpaid for 60 days shall not be considered to be in good standing unless such charges are under appeal and the appeal has been delivered in writing to the Board of Directors at least 30 days before an election, special meeting, or general meeting.

So we encourage you to ensure you make the appropriate arrangements to pay your outstanding amount(s).

We would like to take this opportunity to also remind members that if they have made other purchases such as propane, gravel, etc. and have not been by the office to pay for it, please do so as soon as possible. The number of members regularly using the Park drops off significantly after Labour Day and we'd like to have these things cleaned up as soon as possible. If you are unsure if you have a balance owing, please contact the office as they are more than happy to let you know. Remember, these smaller purchase amounts can be paid directly at the office!

So, how did we do in 2017?

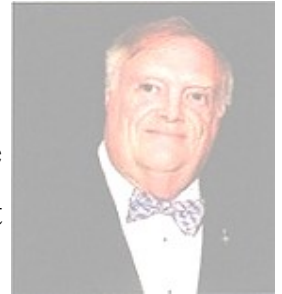

A copy of the 2017 financial statements are included in the AGM package sent to members by email (if you have not received yours, please contact the office). The statements include both the 2017 unaudited and 2016 audited comparative figures for general operations (e.g. we have not included amounts related to the Entertainment Funds: 2017 surplus of \$5,135; 2016 surplus of \$4,886). When reviewing the statements please remember that the notes included are to assist the reader in evaluating the statements.

When budgeting to determine the annual assessments, we try to prepare a breakeven budget based on historical data, trends, anticipated projects, and any other known economic factor at the time. Our surplus for 2017 was \$24,479 vs a \$79,554 loss in 2016.

More will be reported on the 2017 figures and how we are doing come the AGM and September Newsletter.

Susan Stuart, 39 – 10
BBLP Treasurer

Syd Hughes - Rules & Regulations, BBLP Board of Directors

Thanks to all the members that have worked so hard to follow up on the compliance issues at their sites. I am happy to report that it was not necessary to issue any fines for violations during this round of site checks. Members either stuck in and got the job done or they have made arrangements with staff and the board to have their sites brought into compliance over time.

A Golf Cart registration day was held on July 17th in conjunction with the Kid's Sports Day. I am sad to report that only 6 or 7 members took advantage of this easy registration process. This brings the total number of registered Golf Carts in the park to approximately 70. We will now move forward and attempt to visit sites with unregistered golf carts and leave the relevant forms for the members. It is a simple process. Obtain the form from the office, fill out and return. Then make sure that you have your site number on the front and rear of your golf cart so that the numbers are clearly visible. If you have any questions, please check with the office staff. You can also find the Golf Cart rules detailed in the BBLP Rules and Regulations document in SECTION D. SAFETY WITHIN THE PARK Parts 1 and 3. The entire document is available on the BBLP website or you can pick up a printed copy from the office.

Once again thanks to everyone for keeping our park so beautiful and making it a safe and enjoyable place to be.

Syd Hughes
Director

Rhonda Robinson - Recreation and Entertainment, BBLP Board of Directors

Greetings Members.

July has been a busy month, lots of events and activities going on in and around the park.

Thank you to Jan Faulkner and Stephen Parker for decorating our park with Canadian flags on July 1st and American flags on July 4th. Your kind act lent a patriotic and festive air to our park.

Pancake breakfast was a success thanks to a wonderful group of volunteers that worked tirelessly to serve you a hot breakfast. Many thanks go out to Dawn Wingrove, Russ Wingrove, Karilee Green, Janet Hastings, Morris Verrier, Geoff Tindale, Joanne Wallis, Karen Penny West, Darryl Kuzik, Roger Cochrane, Nathan Gurvich, Glenn Leslie, Ross Jacobsen, Jen Tindale, Angela Elliot, Helen Skender and Lisa Campbell. What a fabulous crew to work with!

Dee Allen hosted the Motown dance on July 7th and from all reports, it was a great time! Thank you Dee! You rocked to a sold out crowd. In addition, you managed to make a generous donation to the Entertainment fund by selling 50/50 tickets, thank you very much.

Karen Penny West coordinated Kids Day at the Pool with 85 kids in attendance. After a hearty swim, the kids enjoyed popsicles and candy by the pool. Thank you Penny!

Linda Christensen, Paul Crocock and Annette Edwin coordinated Sports Day. Circle 17 was alive with activity! 115 kids participated in the various games, what a well organized event it was! Children and adults alike enjoyed hot dogs, chips, pop and ice cream! Thank you to all of you.

I would like to share a few generous and random acts of kindness that epitomizes the nature of Leisure Park and our members. Ann Norman donated two tickets to the Motown dance in honour of her late grandson. Those tickets were awarded to Wes and Carol Gmur in recognition of all they have done for our park. Courtney Aveling-Walker and James Walker very generously donated a commercial grade play dome to the playground at Circle 17. The dome will be installed at the same time as the new equipment. Rob and Tammy Pack hosted a drop in lunch for the staff in appreciation for all they do for us and our park. A mere thank you doesn't begin to cover our appreciation for your generous acts that meant so much too so many people.

Last but not least, a hearty thank you to all volunteers that have made past and future events possible. There is no greater gift than the gift of time. If any members would like to volunteer for any events, or perhaps coordinate an event, please contact the office.

Don't forget the volunteer appreciation on August 18th at Brier from 11:00 AM to 1:00 PM. Come and enjoy some light refreshments and be recognized. You deserve it!

The playground at Circle 17 is still a work in progress but it is really starting to look nice. Unfortunately we have experienced some delays that are beyond our control but I think you will all be pleased with the end result when it is completed.

There doesn't seem to be any relief in sight from the heat wave we are experiencing. When leaving the house, don't forget your water and sunscreen.

Hope to see you all around the park.

Kind Regards,
Rhonda Robinson
Entertainment Director

Tom Collins - VP & Communications, BBLP Board of Directors

This is a rather short Directors Report this month but still an important one!

1. We continue to work closely with BBWarm in resolving our flooding issue. I won't go into the technical side of where we are in the Process because I'm not an engineer but suffice to say we continue to move forward in a very positive manner. Please keep in mind that a "fix" is a long term goal as we have many issues to overcome.

Our partnership with BBWARM is a solid one with a mutual goal of resolving our problem!

In our last Newsletter Report we asked for volunteers with an engineering background to join our Committee and we're asking again - please submit your name to the office - your expertise is needed & will be greatly appreciated.

2. There are probably a number of Members as frustrated as myself with outdated internet service - ie - slow download/upload speeds, not able to get Netflix, etc.

I'm happy to report that our Park Manager Don is working with Don Boudewyn (Ecco Internet Service Provider) in resolving our issues. This Fall, Ecco will be upgrading us from overhead conduit lines to underground fiber optic lines. I'm told this will increase internet speeds and be the difference between night & day!

A big Thank You to Don and all our Park Staff for a job well done!

Have a Great August!

Regards,
Tom

Richard Shore - Secretary, BBLP Board of Directors

Preparations are well underway for the Annual General Meeting to be held September 2, 2018. The agenda including financial statements and proposed resolutions are being sent by email before the end of July. Those that don't have email addresses on record will receive AGM materials in the mail. If you don't receive these materials shortly please contact the Park Office at 360-371-7122 to obtain the AGM materials and to ensure our records of your contact information is up to date.

There are 3 Director positions up for election. It is important that you come out to vote to get the Board representation you would like. If you are interested in running for a Board position nomination forms are available at the Park Office and you will be directed to the Nominating Committee Chair, Jan Faulkner for further details.

The process of the annual review of Park staff benefits and wages has begun with any results and recommendations being presented to the 2018-2019 Board for decision and implementation in 2019.

I also wish to report that the Compliance Supervisor, Dennis Hansen, has resigned his employment with Birch Bay Leisure Park. Consideration of replacement of this position will be delayed until after the AGM and will be reviewed by the General Manager and the new Board. We wish to thank Dennis for his service and wish him well in the future.

Richard Shore
Secretary, Human Resources and Appeals Committees

Karilee Green - Grounds & Compliance, BBLP Board of Directors

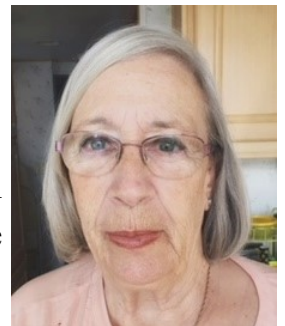

August already. The summer is going by much too quickly.

Thanks to all who work so hard to keep their yards in such beautiful condition and thanks to those who had applied for extensions and are working on getting into compliance.

A reminder that if your site numbers are not visible, you are not compliant with the Park's regulations. The same thing goes for overgrown lawns, and especially those pesky weeds. They are a constant problem, I know, my own yard is a constant battle.

During this stretch of hot weather please remember to water any plants that you have added to the Berms near your lots. Also, please water any trees, etc. in Berms adjacent to your lot. This will greatly help the staff and also assist in keeping the lovely plants and trees in the park healthy.

-Karilee Green, Director

Don Brown - General Manager, Birch Bay Leisure Park

Summer is moving along quickly, and with warmer and dryer than usual weather, we must be very careful. The burn ban is a Stage One Burn Ban at this time.

I have been communicating with the Fire Marshall's Office to acquire more information on the requirements and ordinances for Leisure Park. We will be posting an email blast once all the information has been reviewed with the Board of Directors.

I am excited to work closely with Bill Grant (President of the Board) and the Long-Range Planning Committee on a 5-year plan for Leisure Park. I have also been working with Tom Collins (Vice-President of the Board), in concert with BBWARM, on the flooding and drainage for the Park.

Our Maintenance Shop at the front of the Park is currently being re-roofed. Also, the new sound system equipment for the Elm Center should be in place in the next few weeks.

I have had many discussions with Board Members and Park Members on ways to improve BBLP and move forward in a proactive and lasting manner. I look forward to being a part of future projects around Leisure Park. If anyone has suggestions or ideas about what they would like to see around the Park, please get in touch with me through the Park's Administration Office.

Please remember that as soon as you turn off Birch Bay Drive, the speed limit becomes 5 MPH. This applies throughout the whole Park, including as you enter and as you leave the Park.

Have a great and safe August everyone.

See you around the Park.

Don Brown, General Manager

SPORTS DAY 2018 – LET’S REPEAT NEXT YEAR!

Well, it was another beautiful day and great turn out for Kids Sports Day on July 21. Annette, Paul & I thank everyone – all the children, the volunteers, the parents & the park staff who supported this event. We managed through the lovely warm weather and enjoyed lunch with some ice-cream to cool down. There were well over 25 hard-working, cheerful volunteers to keep over 115! children organized, participating in various game challenges, and fed. As usual, Don and Shelley’s staff teams gave us valued advice and followed through on our many requests...with prolonged patience and smiles.

A special thanks again to the C-Shop for donating a jar of jelly beans for the “Jelly Bean Guess” contest. Gabby Chase, of Circle 30-5, guessed the closest to the 434 jelly beans. I assume there will be some sharing going on in their family. 😊

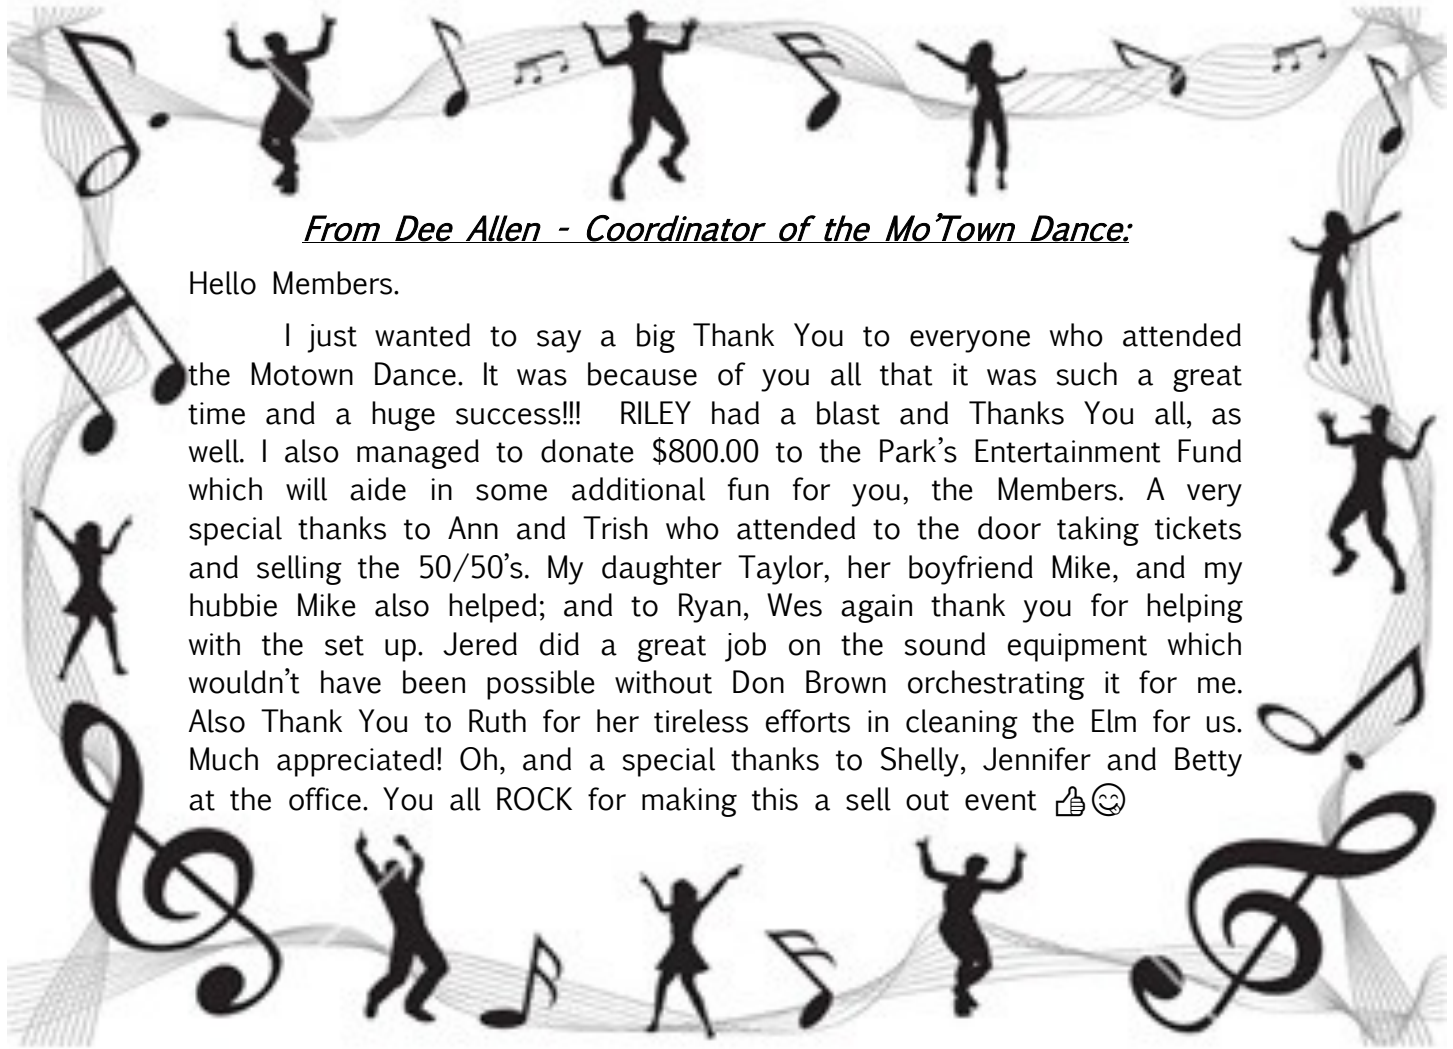

We so enjoyed getting to know more wonderful people in the Park, both volunteers and parents. The enthusiasm & support from the spectators was energizing for everyone. The finale Tug O War, as usual, was lots of fun for kids and parents alike. Listening to the kids’ squeals of delight in beating the adults topped the day.

This event required a lot of volunteers to pull it off successfully. Great job - the positive feedback has been amazing. Specific volunteer recognition goes to:

Paul Crocock; Tammy & Rob Pack; Silvanna & Richard Shore; Geraldine & Donna Thompson; Morris & Leigh Ann Benetton; Rhonda & Chris Robinson; Karilee Green; Karen West; Angela Elloitt; Crisia Heeres; Grace Sartori; Claudia; Lorraine & Heather Dowdall; Susan & Bill Watkins; Dan Janda; Jen & Mary Tindale; Martha Robson; Mildred Symons & Patricia Sharpe. (I hope I didn’t forget anyone!) Thank you, thank you!

Next year seems far off but let’s make Sports Day happen again. Please consider putting your name forward as a volunteer - it really is rewarding and is only a few hours. Here’s to next year!

Linda Christensen (20-3) & Annette Edwin (20-10)

From Dee Allen - Coordinator of the MoTown Dance:

Hello Members.

I just wanted to say a big Thank You to everyone who attended the Motown Dance. It was because of you all that it was such a great time and a huge success!!! RILEY had a blast and Thanks You all, as well. I also managed to donate \$800.00 to the Park's Entertainment Fund which will aide in some additional fun for you, the Members. A very special thanks to Ann and Trish who attended to the door taking tickets and selling the 50/50's. My daughter Taylor, her boyfriend Mike, and my hubbie Mike also helped; and to Ryan, Wes again thank you for helping with the set up. Jered did a great job on the sound equipment which wouldn't have been possible without Don Brown orchestrating it for me. Also Thank You to Ruth for her tireless efforts in cleaning the Elm for us. Much appreciated! Oh, and a special thanks to Shelly, Jennifer and Betty at the office. You all ROCK for making this a sell out event 👍😊

FROM THE ADMINISTRATION CENTER

Propane Tanks

We fill your small propane tank at the Admin Center. Located between the recycling bins and the dirt is the propane filling station. Tanks left on the "EMPTY" side by 4:00 PM will be ready for pick up by 4:30 PM and placed on the "FULL" side. Please be sure that your tank is clearly marked with your site number and last name for easy identification.

Topsoil & Gravel

We offer 4-way topsoil, crushed limestone or chipped rock for purchase at the Administration Office. You may purchase these commodities by 5 gallon bucket or wheelbarrow full (you fill). We keep a limited supply of these materials on hand, so if you need more than a yard or two we will be happy to put you in touch with a wholesale supplier.

Brush Bins

Each bath house has a fenced area for small loads of yard waste ONLY. All yard waste should be bagged or bundled for easy removal by park staff. Compost bags are available at the office, five for \$2.00.

Garbage

Please place bagged household garbage in the dumpsters located at the bath houses and at the front of the park. To dispose of larger items (carpet, mattresses,

furniture, etc.) stop by the office to purchase a \$20 dump permit.

Recycling

Please recycle. Aluminum cans (preferably crushed) go in the recycling shed. Newspapers, mixed paper, cans and jars go in bins in front of the shed at the front. Please flatten plastic jugs. Cardboard goes in the bin inside the recycling shed at the front. Please flatten. Additional recycling locations are: Bathhouse #3, #4, #5, #6, #7, #8, #9, #10 – Brier Center and Elm Center. Further details about recycling are available at the Administration Office.

Laundry

Bathhouses 3, 4, 8, & 9 have coin operated washers and dryers. (\$2.00 US to wash and \$2.00 US to dry) **Machines take U.S. QUARTERS ONLY.**

Utilities

We respond to your water, power and sewer problems. If it's a park problem we fix it. If not, we can point you towards a solution. Please be aware of the delicate disposition of our sewer system. Sewage is pumped out of the park and our pumps choke on the smallest of things; a dish rag, that messy diaper (even a supposedly disposable diaper), a potted plant with its roots, a knife, etc. When these things reach the pump, it plugs. We then have to hire a contractor to go down into the

sewer tank to make repairs, costing the park time and money.

Compressed Air

Outside the Maintenance Shop door we provide compressed air for your tires.

Construction / Maintenance Permits

All construction requires a permit. Permit applications are available at the Administration Center and only take a moment to fill out. Office staff are also on hand to assist with the process.

Mail & Parcels

Please stop by the Administration Center to pick up your mail and parcels to make room for more.

Volunteers

Birch Bay Leisure Park is always looking for volunteers to help out with our Park events. If you are interested in lending a hand, come by the Office and sign up!

The Administration Office would like to remind everyone to please check on your account balance the next time you are at the office.

Be safe. Have fun. Be kind to each other.
