	1:00 pm to 4:00 pm
	5:00 pm to 9:00 pm
ADULT SWIM:	Noon to 1:00 pm
	4:00 pm to 5:00 pm
TEEN SWIM:	9:00 pm to 10:00 pm

Pool attendants are not lifeguards.

Rec Tags, bath house key and showers are required for entry to pool.

Adults must accompany children under 13 years of age into the pool to ensure their safety.

Bill Grant - President, BBLP Board of Directors

With the May long weekend there is a sense that summer has officially started and here in the Park that certainly is the case. The pool was open, Caesar Sunday was a success and there were some interesting discussions at the Town Hall meeting.

Members are busy getting their sites ready for another season of relaxation, fun with friends and making new friends. Please remember to obey the 5 MPH speed limit in the Park. Of all the rules we have, this one seems to be the one that is not adhered to the most and it can result in the worst kind of accident. You will hear this mantra throughout the summer and it is one that needs to be heard and followed.

After a long, long time and following all the procedures set out by the federal, state and county regulations the Park has finally received the Shoreline Permit allowing us to move forward with the repairs to the drainage pipe at the front of the Park. We will be making repairs as soon as we can schedule work with the contractor.

As many of you know we will only be accepting US money for events held in the Park. At the Town Hall meeting it was discussed with some people thinking it was inconvenient to go to the bank to get US dollars while others said it is no different than if you went to England or Mexico and had to get local currency to purchase goods. For the Park there is administrative costs associated with taking the money to Canada, as US banks do not take Canadian coins.

To make it easier for members, the Board decided you can make payments for events at the Park office and the charge will be added to your account. The only thing we cannot do is sell any tickets for things like 50/50 and prize draws tickets.

The garbage and recycling program in the Park is not working. The majority of members follow the rules but as soon as a member puts something in a bin that is not designated for that bin, the bin is now considered contaminated by the recycling company and we then pay garbage collection rates which is \$55 more per pickup.

Recycling is done differently in Washington from what we are used to in BC. We will need to decide if we stop the recycling program and just go with a garbage program as that is what is happening now. This will increase our garbage costs by about \$3,000 per year. The reality is the program is not working since all members do not follow the rules. An example of this occurred when a member was up at the dump and put metal into the correct bin and then threw in some glass bottles. We had a staff member at the dump monitoring things and he mentioned this to the member and the member said, "It's no big deal its just a few bottles" and because of that the bin was now contaminated. Only we members can control this, so if it continues we will make the decision to stop the program as we are not following anyway.

We have implemented a new office and operations software program. All maintenance and project work done in the Park starts with a work order in the system. Please remember that if you need something done by Park staff, call the office to get the job into the system so it is not forgotten. This may mean that staff cannot stop what they are assigned to do that day to do that "quick" job that turns out to be more effort than expected. We will still do the work, we just need to be better planned so scheduled repairs and inspections are completed on time.

Bill Grant

Richard Shore - Secretary, BBLP Board of Directors

First, I want to thank those members who attended the Town Hall Meeting on Monday May 20.

The Board appreciates member input, which assist the Board in planning for the future of the Park.

In this regard we received much input, which appears to be divided, on the US Dollar only policy that the Board introduced for events. The Board heard that one of the main concerns is that not everyone carries US cash for a weekend trip to the Park relying on their credit cards for necessary purchases. Given the feedback at the Town Hall Meeting, we are working with the Park office staff to develop a process whereby members can purchase tickets or vouchers in advance of events from the office and have this charged to a members account. We are considering a \$10 minimum amount, which would be non- refundable, and any accounts are payable within 60 days or with a member's next assessment, whichever is the lessor period of time.

We hope that this will address many of the members concerns and relieve some of the burden on event coordinators.

Details will be posted as soon as they are available.

Here is looking forward to another great summer.

Richard Shore
Secretary

Susan Stuart - Treasurer, BBLP Board of Directors

Treasurer/Finance Report

2nd Assessment and Notices On May 20th, the Board approved the 2nd 2019 Assessment which is set at \$905.00USD and payable by June 28th, 2019. At this level, which is the same as the 1st Assessment, we anticipate we will come close to a breakeven position for the year while providing the necessary funds to keep the park operating at the level we believe the membership expects. This is of course provided there are no unexpected events. As has been past practice, a summary of the revised budget is included with the Assessment Notice. It should be noted that dues collected will represent approximately 93% of the monies anticipated to be raised in 2019.

The 2nd Assessment Notices were emailed during the last 7 days of May. For those members that have not provided email addresses and continue to receive the Assessment Notices by mail, if you have not received your package by June 7th, please contact the office to confirm we have the correct mailing address on file and to confirm what your amount due is.

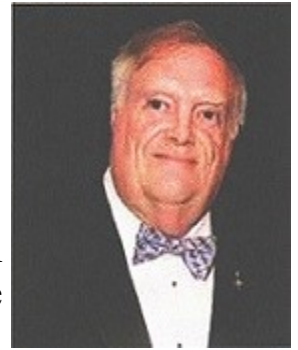

The correspondence sent included information on your assessment, the November 2018 to April 2019 electrical billing, and any other outstanding amounts for item such as, but not limited to, propane, dirt, gravel, parcels, etc. If you have an amount on account that reduces the amount otherwise payable this will also be reflected in the documentation received. When it doubt, please simply contact the office to confirm your amount due so you can make whatever arrangements are necessary to have that amount received by and recorded as deposited to our UMPQUA bank account before closing on June 28, 2019.

Regardless of your chosen payment type, please make sure you include both your site # and your surname when making the payment. This is especially important when using other locations than the Blaine branch, and even more so when the bank is outside Whatcom County. If you are making payment by cash, please take the additional step of contacting our office to let them know the amount paid and date.

So, how did we do in 2018? A copy of the 2018 financial statements will be provided to the members as part of the AGM package and will include both the 2018 and 2017 comparative figures. At this time last year we had prepared a breakeven budget and at year's end we had a net operating income of ~\$273. More details will be included with the AGM package as well as in future newsletter reports.

Susan Stuart, 39 – 10 BBLP Treasurer

Syd Hughes - Rules & Regulations, BBLP Board of Directors

Welcome to Summer! Our beautiful pool is now open on weekends and will shortly be open full-time for the summer. The rules and hours are clearly displayed at the pool. Access to pool is through the changing rooms, not the main hall of the Brier. During Adult swim times no children are allowed on the pool deck or on the Brier deck. Please remember that a shower is required by all persons using the pool and that the pool attendants are there to ensure compliance with the rules. Rec tags must be worn by all persons using the pool. Your co-operation will make for an enjoyable time for all.

Our compliance and security officers will be paying attention to speeding which seems to have become a huge problem in the park. Remember that the park speed limit is 5 mph and that it applies to all motorized vehicles including golf carts. Please inform your guests of this speed limit as any speeding violation on the part of your guests is charged to your account.

It was also noticed in the past couple of weeks that a guest travel trailer was parked in such a way as to block access on the circle road. All guest trailers, cars, etc., must be parked in such a way so as to be completely on the members site and not to impede the free flow of traffic on park roads.

If at any time you have questions regarding the rules and regulations of the park please address them in writing to the park office and they will be directed to the appropriate board member for an answer.

Thanks to everyone who is taking the time to ensure that their sites are kept in tip-top shape and helping to beautify our park.

Syd Hughes

Rhonda Robinson - Recreation and Entertainment, BBLP Board of Directors

Greetings Members

As we swing into our busy season we will be seeking volunteers to assist with events. Volunteers are fundamental to an events success. We are also seeking coordinators for various events. Please keep in mind that help is readily available to all coordinators. We are always open to member suggestions for a new event. If you have idea's for a new event and are willing to coordinate, please contact the office.

At present I am busy preparing for the upcoming pancake breakfast on June 29th. Members are reminded that all ticket purchases are in US Funds only. I have an awesome group of volunteers that help me with this event but there is always room for more volunteers! If you are interested in participating, please contact the office with your name and e-mail address and I will get back to you.

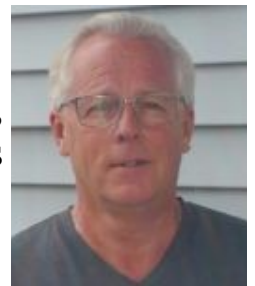

Parents, please keep in mind that all events do not have to be coordinated through the park. If you would like to organize a spontaneous event like a baseball game or soccer game etc., contact the office with a time, place and type of event and an e-mail blast can be sent out to all members. Please keep in mind that parent participation will be expected.

A resounding thank you goes out to our coordinators and volunteers for the Easter egg hunt, Bingo and Caesar Sunday.

This is your park. Please help make it a fun and safe place to be for members and their guests.

Rhonda Robinson
Entertainment Director

Dave McRae - Public Relations & Communications, BBLP Board of Directors

Kids are everywhere...

It is great to see our kids enjoying our Park, along with the freedom it affords them and all the amenities our Park offers for our members and their children.

Please watch out for our kids.

They're everywhere and kids don't always have the best judgment or awareness of what's going on around them.

You should be hyper-aware and watchful when it comes to kids in our Park.

Speeding is a major issue in our Park.

The speed limits in our Park were established many years ago for very sound reasons. The posted speed limit is for all vehicles; cars, trucks, golf carts, bikes, etc...

Watch your speed (5 miles an hour) and be extra careful around areas where kids hang out and travel. We do not want to ever have one of our children injured by a vehicle in our Park.

If you are backing up, either at your site or some other area of our Park, please use your car's rear-view camera (if so equipped) and maybe even take a walk around your car before backing up just to be sure.

Be careful going around corners in our neighborhoods, in case a kid comes darting out of a yard, and be watchful of lines of parked cars where kids may suddenly appear.

Safety on our Roadways

Child safety near traffic can be affected by a few major players: drivers, parents and grandparents.

For their part, young children have not yet developed the necessary cognitive skills (depth perception, judging speed of oncoming cars, distance, etc.) to safely assess the dangers of the road.

As a driver, be aware of your surroundings, child safety and our traffic rules.

Young children may be more difficult to see, and may run or ride bicycles quickly out of hidden driveways.

Parents and grandparents can play a crucial role in child safety on our roads. Not only can parents and grandparents keep in mind all the same driver issues above, but they can play an active role in teaching their kids and grandkids the dangers and risks of our roadways as well. Keeping your kids playing away from traffic areas and/or in plain view of any drivers that may pass by is an important step.

It is a fact; **Kids are usually outside playing in our neighborhoods.**

If you're driving, you are largely responsible for their safety. A child doesn't have a chance against a 3,000-pound (or heavier) vehicle in the street, a parking lot or your own driveway.

Members and their guests should expect more foot and bike traffic in our neighborhoods as our children look to take advantage of the warm weather and longer daylight hours. Summer is also a time that less-experienced teen drivers are driving golf carts in our Park (as a reminder; all operators of golf carts must hold a valid driver's licence).

Less experienced drivers are often more easily distracted by passengers or technology or simply confused by traffic due to their inexperience. Please remember that a golf cart can cause just as significant injuries to pedestrians as would cars, trucks and even bikes.

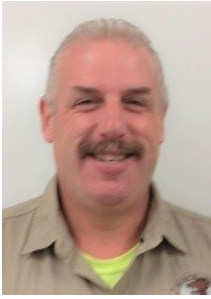

Adults, teens and children tend to treat our roads here in BBLP as just another part of our Park and not as potentially dangerous road ways.

Enjoy all that our Park offers and please always keep in mind the safety of our children who are walking, riding and playing in all areas of our Park.

Members please (please) obey our speed limit of (maximum) 5 miles per hour and please reinforce with your guests the importance of all our rules and regulations.

Have a great summer in our Park.

Dave McRae, Communications

Don Brown - General Manager, Birch Bay Leisure Park

Hello everybody. Summer is almost here and we're looking forward to another great summer season at Leisure Park.

Early season cleanup has seen a lot of debris being left at our Bathhouse Brush Bins. I would like to thank everyone who remembered to bag and bundle their debris for easy pickup. Also, please remember that the Brush Bins are for green waste only. Dumpsters are available at all of the Bath Houses for household garbage.

For Members who need to dispose of larger loads or items, Maintenance Yard (Dump) permits are available at the administration office. Stop in or contact the office for further details.

Also, there is no disposing of any paints, stains, solvents, anti-freeze or any other harmful chemicals into any of the Park's dumpsters or at the Maintenance Yard. These items can be taken to the disposal center located at 4297 Birch Bay Lynden Rd. This depot is only open on Sundays from 9 AM – 5 PM, so please plan accordingly.

When using the Park's Maintenance Yard, keep an eye out for the new informative signage identifying the different containers. Aluminum and steel recycling is separate from the household garbage dumpster. All wood debris (steps, decks, fencing, etc.) should be placed into the household garbage dumpster. Please do not leave any items on the ground.

I, along with all of the Park staff, thank you for your cooperation.

Some other news, a new security working group has come together for the benefit of the Park. This group will be looking at new ways to improve Park safety and help update and implement new Park security standards. If anyone has any ideas or comments related to Park safety and security, please submit them in writing to the administration office.

Remember to be safe and have fun this summer!

Don Brown - General Manager, Birch Bay Leisure Park

A note from the Nominating Committee

At our September 1, 2019 Annual General Meeting, members will be asked to elect four (4) directors to serve on the Board of Directors

Recognizing the importance of recruiting members having the needed skills, knowledge and experience relative to specific Board portfolios (finance, maintenance, human resources, etc), we have started the search for potential directors early this season. We encourage members to consider serving on our Board.

Members of the Nominating Committee will attend regularly scheduled events during the season looking for potential director candidates to stand for election in September. Members are encouraged to ask questions and learn what is involved to serve as one of our directors.

BBLP bylaws provide for a nomination process and nomination form. The mandate of the Nominating Committee is to identify at least one candidate for each vacancy. Ideally, we strive to have more than four nominees so that the members may exercise their right to elect directors. Additional information regarding the nominating process will follow in future Newsletters and will be posted on community bulletin boards.

Members of the Nominating Committee may not run for a director position and must be remain nonpartisan.

Jan Faulkner, Chair
Site 47-07

Remember to attend this year's Annual General Meeting on September 1st, 2019 to vote for next year's Board of Directors.

Board Committees 2018/2019

For convenience of members, below is a list of the standing committees and members serving on the committees.

- (a) Appeals Committee. Director Richard Shore. Coleen Hunter, John Unsworth and Jim Miller.
- (b) Bylaws Committee. Director Syd Hughes. Rick Lighthouse.
- (c) Entertainment Committee. Director Rhonda Robinson. Wes & Carol Gmur, Joanne Glasstetter, Janet Hastings, Roslynn McRae, Jen Tindale, Joanne Ste Croix, and Daryl Vyse.
- (d) Finance Committee. Director Susan Stuart. Don Brown, Ken Forcier, Bill Symons, Don Hincks and Rick Lighthouse.
- (e) Human Resources and Compensation Committee. Director Richard Shore. Susan Stuart, Don Brown, Ana Lopez and Jim Miller.
- (f) Long Range Planning. Director Bill Grant. Don Brown, Doug Hunter, Michael Trites, Tom Collins.
- (g) Communications/Public Relations. Director Dave McRae and Jennifer Timmreck.
- (h) Nominating Committee. Jan Faulkner.
- (i) Rules and Regulations. Director Syd Hughes. Mike Murrell and Diane Smith.

Birch Bay Leisure Park Members are invited to join our network of Park Volunteers. Whether you're an experienced volunteer, or if you've just been thinking about getting involved, now is a great time to come out and participate!

Summer events at Leisure Park are all assembled and ran by our very own Park Members. Bingo Nights, Dances at the Elm, Kid's Day at the Pool, and even our yearly visit from Santa, are all coordinated by our very own Members.

Volunteering is a great way to meet new neighbors and make new friends in the community. It is also a great way to help support our Park.

Signing up to volunteer is easy! Contact the Park's Administration Office, in person, by phone or by email, and let them know that you'd like to become a Leisure Park Volunteer. No experience necessary. Volunteer today!

FROM THE ADMINISTRATION CENTER

Propane Tanks

We fill your small propane tank at the Admin Center. Located between the recycling bins and the dirt is the propane filling station. Tanks left on the "EMPTY" side by 4:00 PM will be ready for pick up by 4:30 PM and placed on the "FULL" side. Please be sure that your tank is clearly marked with your site number and last name for easy identification.

Topsoil & Gravel

We offer 4-way topsoil, crushed limestone or chipped rock for purchase at the Administration Office. You may purchase these commodities by 5 gallon bucket or wheelbarrow full (you fill). We keep a limited supply of these materials on hand, so if you need more than a yard or two we will be happy to put you in touch with a wholesale supplier.

Brush Bins

Each bath house has a fenced area for small loads of yard waste ONLY. All yard waste should be bagged or bundled for easy removal by park staff. Compost bags are available at the office, five for \$2.00.

Garbage

Please place bagged household garbage in the dumpsters located at the bath houses and at the front of the park. To dispose of larger items (carpet, mattresses,

furniture, etc.) stop by the office to purchase a \$20 dump permit.

Recycling

Please recycle. Aluminum cans (preferably crushed) go in the recycling shed. Newspapers, mixed paper, cans and jars go in bins in front of the shed at the front. Please flatten plastic jugs. Cardboard goes in the bin inside the recycling shed at the front. Please flatten. Additional recycling locations are: Bathhouse #3, #4, #5, #6, #7, #8, #9, #10 – Brier Center and Elm Center. Further details about recycling are available at the Administration Office.

Laundry

Bathhouses 3, 4, 8, & 9 have coin operated washers and dryers. (\$2.00 US to wash and \$2.00 US to dry) **Machines take U.S. QUARTERS ONLY.**

Utilities

We respond to your water, power and sewer problems. If it's a park problem we fix it. If not, we can point you towards a solution. Please be aware of the delicate disposition of our sewer system. Sewage is pumped out of the park and our pumps choke on the smallest of things; a dish rag, that messy diaper (even a supposedly disposable diaper), a potted plant with its roots, a knife, etc. When these things reach the pump, it plugs. We then have to hire a contractor to go down into the

sewer tank to make repairs, costing the park time and money.

Compressed Air

Outside the Maintenance Shop door we provide compressed air for your tires.

Construction / Maintenance Permits

All construction requires a permit. Permit applications are available at the Administration Center and only take a moment to fill out. Office staff are also on hand to assist with the process.

Mail & Parcels

Please stop by the Administration Center to pick up your mail and parcels to make room for more.

Volunteers

Birch Bay Leisure Park is always looking for volunteers to help out with our Park events. If you are interested in lending a hand, come by the Office and sign up!

The Administration Office would like to remind everyone to please check on your account balance the next time you are at the office.

Be safe. Have fun. Be kind to each other.

BBLP Administration

GIGGLES AND GROANERS

What do you call a happy cowboy?

A jolly rancher.

Why did the mushroom get invited to the party?

He was a fungi.

Why do seagulls fly over the sea?

Because if they flew over the bay they would be called bagels.

What kind of dog doesn't bark?

A hush puppy.

Why did the banana go to the doctor?

He wasn't peeling well.

What's a mummy's favorite food?

Wraps.

FLAG PROTOCOL

In the United States, visitors from Canada are permitted to fly the Canadian flag if the following criteria are met:

1. If flown on one staff or pole, the U.S. flag must be above the Canadian flag,
2. No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America,
3. The U.S. flag must be as large as, or larger than the Canadian flag,
4. All flags must be kept in good repair.

Please respect the above standards.

VOLUNTEER OPPORTUNITY

Birch Bay Leisure Park is on the look out for a Member Volunteer to take on the compilation of the BBLP Summer Newsletter and become our new Newsletter Editor.

Our Newsletter is assembled with Microsoft Publisher, using Excel, Word and PDF documents. Volunteer applicants must also be comfortable with JPG, GIF and PNG files and have reliable email service. The Newsletter editor must be able to meet deadlines and will be expected to work closely with Administration Staff and Park Board Members.

If you are interested in becoming Leisure Park's newest Newsletter Editor, please contact the Administration Office for further details.
